My name is Jacob and I love football and all sport.

I have played for FC Bath since I was 4

This year I was lucky enough to be selected for the Bath Wiltshire Boys U12 Training Squad

Through BWB I am learning about the values in the programme and I hope it will make me a better player and more helpful and caring.

Every BWB player is asked to focus on the values to raise money towards the football club so that we can pay for our training grounds and the coaching programme.

I am doing a run around Corston field and brook as many times as I can to raise money for two charities: Julian House and BWB.

BWB is a football programme focussing on four values - Compassion, Responsibility, Curiosity and Resilience. It aims to promote sport and learning opportunities to the wider community.

Julian House works to get homeless off the streets and supporting projects to prevent people becoming homeless, and preparing them for employment.

Julian House
The home of opportunity

I am aiming to run 5-10 laps of the Corston Playing Fields and Brook, a rough muddy mile.

PLEASE SPONSOR ME. Thank You, Jacob.
